### A note from the President...

Hope everyone had a great Christmas and safe and Happy New Years. By now I guess you have heard that we did not march in the Christmas parade this year. We couldn't march because we didn't have enough members. I want to think everyone who came to the Christmas party this year if you didn't come you missed a great time. We didn't have any fighting but we did have some stealing, as always Pam started it off. I don't know if you know it or not but Mardi Gras is early this year (February 2) so that means we won't have a lot of time to practice. Please contact an officer as soon as possible so that we can get a head count for Mardi Gras. Practices are Saturday from 9-11 at the old TJ parking lot.

Hussar love,

Debbie

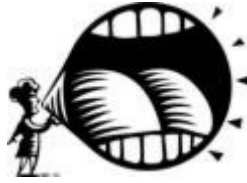

Don't' Forget.....

Relay for life is coming quick. Be thinking of ways to help with raising money and ideas for our area!

*Calling all RHA members;  
Past and Present*

**We need your help! If you have not been a member for a couple of years we need you back. Our funds are getting low and each year we base our budget on membership. If we cannot get participation, we will have to cut back on our community projects. With your help, we can continue our efforts through Relay For Life, CMN, Cav-oil-Cade, Scholarships, and our Christmas and Thanksgiving families.**
