Dear Hussar Sisters,

I hope everyone enjoyed Mardi Gras. I want to thank everyone for making it a great turn out, whether you were marching, riding the float, escorting us or filling in a spot where needed. I think we had a great time; no we had a wonderful time. If you weren't there you missed out on a lot of fun. I want to give an extra thanks to the following people:

John and Cammie Pool for putting the float together, storing the float at their house and letting us have the float party there. Cathy Lopez and Vince for letting us use their generator.

Cody and Cassie Guy (Cecelia Esqueda's daughter and son-n-law) for pulling the float.

Tony and Cecelia Esqueda for taking care of the float and us girls after the parade.

Natalie Collazo and Nancy McClain for carrying the Hussar flag.

If I missed anyone I am sorry but thank you too!

Here are a few reminders incase you forgot:
